2024 Renegade Pastors Conference

Key Verse for 2024

“ So humble yourselves under the mighty power of God,
and at the right time he will lift you up in honor.

Give all your worries and cares to God, for he cares about you.

*Stay alert! Watch out for your great enemy, the devil.
He prowls around like a roaring lion, looking for someone to devour.*

Stand firm against him, and be strong in your faith.

*Remember that your family of believers all over the world is going through
the same kind of suffering you are.*

In his kindness God called you to share in his eternal glory by means of Christ Jesus.

*So after you have suffered a little while, he will restore, support, and strengthen you,
and he will place you on a firm foundation.*

All power to him forever! Amen. ”

#RenegadePastors | @NelsonSearcy

Dear Renegade Pastor,

Welcome to the global gathering of Renegade Pastors where we will be equipping you to abandon average! We are gathering online via Zoom and I hope you're ready for a ministry-altering, leadership-expanding, soul-restoring and pastor-encouraging experience with your fellow Renegade Pastors. This conference is strategically timed in the first part of the year to help you discover and implement leadership strategies that will **position you to grow** through the year.

This is our 11th annual Renegade Pastors Conference — and with our focus on **“the pastor’s wellbeing”** and our speaker line-up, it may be our most memorable one to date! I don’t want you to miss any opportunities for development while you’re here. **To fully maximize all three days**, put aside any distractions and really focus on the messages and strategies you will discover from all the speakers. **Be open to what the Holy Spirit will communicate with you as well.** Also be in prayer for me and all the speakers, for your fellow Renegades here and for yourself as what we are doing here will have an eternal impact. And be prepared to learn from other like-minded Renegade Pastors around you here at the conference.

You are part of an elite group of pastors — in the world — who have made the commitment to abandon average as a part of this network. I’ve taught for years that if you want to grow a church and lead a healthy life as a pastor (and you CAN do both as you’ll discover here), just look at what the average minister does and do the exact opposite. In this Zoom room you’ll be surrounded by members who said NO to average and made some real Kingdom impact in the progress!

Thank you for being a part of the Renegade Pastors Network and challenging yourself and your church to accomplish great things for God’s Kingdom.

I’m so glad you’re here!

HOW WILL THIS NETWORK BE DIFFERENT?

This network is made up of Senior Pastors who have already been through regular networks with me. It's by invitation only, based on size of church, potential for growth, desire to teach other pastors or lead future coaching networks, and an understanding and commitment to the eight church systems. While there will be elements similar to those in our regular networks (pressure points, book studies, etc.), **there will also be a number of new elements** (special guest presenters, advanced treatments of each system, "hot seats" to address your specific issues, my latest teachings and treatment of new issues such as staff, budgeting, multi-site, church planting, etc.).

WHEN AND WHERE?

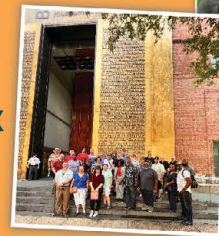

The Titanium Network will meet face-to-face, either virtually as needed or in-person at various cities throughout the year. It will meet for two days at a time, every other month. Your minimum commitment is through April 2025. While most will continue on, as this is an ongoing network, you may choose to stop after April 2025. **We meet every other month, instead of monthly, as a way to save 50% in travel costs.**

The times will be 9:30am - 5:30pm (or later) on Day 1, and 9:30am - 3:30pm on Day 2.

The exact dates are listed below.

Upcoming Dates for 2024 are:

- April 23 - 24, 2024 - In-Person in Boca Raton, FL
- July 22 - 23, 2024 (Mon/Tue) - In-Person in Dallas/Fort Worth, TX
(Church Growth & Systems Boot Camp, July 24-26)
- October 23 - 24, 2024 - In-Person in Charleston, SC
- December 10 - 11, 2024 - In-Person in Boca Raton, FL

WHAT TOPICS WILL BE COVERED?

Each month we'll discuss in great detail one of the eight church systems and how it applies to your church. This will be in much greater detail than we covered in the regular networks. We'll also discuss advanced coaching issues like staffing, budgeting / stewardship development, church planting and the multi-site movement. I'm hoping to bring in one or two guest speakers to address these issues as well (such as Steve Stroope from Lake Pointe Church or Dr. Gary McIntosh).

**YOU'RE INVITED TO APPLY: Our next open meeting dates are April 23-24
and will be back in-person in Boca Raton, Florida!**

**Only 3 spots available — to learn more, email Nelson directly at

- Churches including The Journey have created **Small Groups** around *Unshakable*.
- Guests have shared it with family, friends and neighbors going through difficult times — it has become a **powerful evangelism tool**.
- Pastors have launched the books on a **Big Day coinciding with the Unshakable Sermon Series** — which you will receive as a free bonus when you do a co-authorship. On this Big Day, everyone in the congregation would receive a free copy to kick off the series and the new book.

We've heard stories of these books also being used in prison outreach and other community evangelism and by missionaries (so we know *Unshakable* has gone international!).

PRAISE FROM OTHER PASTORS WHO HAVE USED THE BOOK IN THEIR CHURCHES:

"We are still working on becoming personal evangelists as a church body. This has helped us. People have shared with me how the book 'has been a blessing to me.' If a question comes up on any number of topics — death, illness, marriage — they can refer to a specific chapter in the book. It has really helped to equip our people for outreach. The book has been a great investment. More than anything it has provided for us real life answers, specific instruction, that makes it a lot easier to teach and bring everyone together."

— **Pastor George Burris**

Historic St. James Baptist Church, Madisonville, LA

"We put out the book and said, 'Well, whoever shows up, shows up.' And one person came. And then another person came. They were very excited about the book and started sharing it... There was this one young man who came from Puerto Rico and he'd been through so many different things and he was questioning God. The book covered all of those things for him and so he said, 'This book has really helped me get through these storms of life. Every single chapter.'"

You know the value of coaching better than anyone... and nowhere is it more needed than when it comes to implementing the Small Groups System in your church. That's why I want to invite you to sign up your small groups staff or volunteer point person for my upcoming **Small Groups Coaching Network!**

The question I am often asked is — “How can I get 100% of my church in small groups?” I’m asked this because at The Journey Church in NYC **we’ve had over 100% of our average Sunday adult attendance sign up for Small Groups EVERY semester for the last 21 years.** And because of that – we’ve seen incredible SPIRITUAL GROWTH (*over 2,900 people baptized in the first 19 years of our church*).

The **SMALL GROUPS COACHING NETWORK** will help you experience the same spiritual and numerical growth in your church and Small Group Ministry.

Not only will we share with you the DNA of our Semester-Based, Small Groups system...but you’ll discover how easy it can be to implement **Online Small Groups** so you can be most effective in this NEW reality. We’ll share our step-by-step online process with you.

See the back for all the details. **Be sure to RSVP for your spot in the Small Groups Coaching Network TODAY for a special \$1,200 DISCOUNT.**

God bless you!

Kerrick Thomas

*“The eight months that I’ve been in the network has had a multiplying effect: **Our groups have grown in number and are stronger than ever.** I’ve grown personally as well. My understanding of how to do groups more effectively has grown exponentially.”*

I was afraid to make that investment, but **this network has far exceeded my expectations.** It is worth every penny. You owe it to your church and small group ministry to get the help you need to bring maximized kingdom results!"*

He leads coaching networks for Executive / Associate Pastors, Small Group Pastors and Church Planters, and regularly teaches church leadership seminars with Nelson Searcy.

The network will cover the top 12 Executive Pastor challenges, such as:

- The Eight Systems of the church
- The relationship with the Senior Pastor
- Hiring and leading staff (and de-hiring ineffective staff)
- Planning strategies / processes
- Stewardship / finances
- Space / facilities
- Assimilation / evangelism / new believer follow-up / member retention
- And more!

"My experience with the Executive Pastor Network was well worth the investment of time and finances. Kerrick has a very common-sense approach to ministry and coaching. The resources you receive are invaluable, the illustrations and examples are real and the access you have to him is a tremendous benefit. I wish I would've done this coaching years ago. If you don't think you can afford the coaching, think again. You will benefit way more even if you only implement one of the many things you learn. You will learn more in ten months with Kerrick than you would in three years on your own. Trust me – I did."

PASTORS
DISCIPLESHIP
GROUP
with Dr. Ken Boa

AND NELSON SEARCY

Dear Pastor,

I'm opening just a few spots for this monthly Pastors Discipleship Group with Dr. Ken Boa via Zoom. I invite you to prayerfully consider joining us.

**** This group has been unlike anything I've ever done in my ministry and it has grown me as a follower of Jesus more in these short months than anything I've ever done. ****

That's a bold statement but it is also the feedback I'm hearing from the other pastors in the group.

As we all know, the power of our external ministry FOR God is determined by the strength of our internal relationship WITH God.

This group is unique in so many ways. It is a pastor's "discipleship" group. It's made up of only high-quality pastors that I have personally invited. We read and discuss a powerful chapter from a key discipleship book. We are joined by that book's author, Dr. Ken Boa, to answer our questions, speak into us and provide additional insight.

You'll thank me later for this invitation...if you will accept it.

I'm grateful for you and look forward to welcoming you to this Pastors Discipleship Group.

Your partner in ministry,

WHAT IS THIS NETWORK ABOUT?

Ken Boa has been a frequent guest in Nelson's Renegade Pastors Network and now we're partnering with him to lead a new LIVE monthly Pastors Discipleship Coaching Network focused on Ken's *Conformed to His Image* textbook.

In *Conformed to His Image*, Ken offers a comprehensive, balanced and applicable guide to spiritual growth. This book shows how Christians can build their lives on a fully biblical foundation, including an exploration of 12 facets of authentic Christian spirituality.

This network will consist of 4 elements:

1. **Read** the selection from the Revised edition of *Conformed to His Image*.
2. **View** a custom video companion of each selection.
3. **Review** and complete the Study Guide on the selection.
4. **Discuss** the application to our personal lives and our local church ministry in LIVE Zoom conversation with Dr. Ken Boa.

Plus, ongoing guidance and Q&A for full implementation in your church.
